

Thank you for your interest in adopting a morgue drawer.

Your adoption will give you a personalized 'Dead on Arrival' label which will be displayed on a morgue drawer in our Morgue and True Crime display. This is an exclusive opportunity with only 14 drawers available.

The adoption of the morgue drawer will include;

- Your name or the name of a gift recipient displayed on the drawer with a mock cause of death for 12 months
- A mock Death Certificate
- Toe Tag, and
- A 12-month membership to the museum allowing you to visit your adopted drawer whenever you would like.

The cost of adoption is \$225.00

Your adoption directly supports the Vancouver Police Museum & Archives, a not-for-profit organization that relies on the support of our community to continue our work in collections care, archival and digitization work, education and community outreach.

To personalize your adoption please complete the form below and we will contact you for the final payment either over the phone or in person during your next visit. Your purchase will only be confirmed at the time of payment and an adoption cannot be reserved. Once all our drawers are adopted there will be a 12-month waiting period.
